### Fabrication Process:

The Brawley Beef Scalded Tripe is a cleaned and washed tripe product. The tripe is derived from Brawley Beef Naturally raised young, beef steers.

The Brawley Beef Tripe is collected from the viscera portion of the Brawley Beef naturally raised steer. The processing procedures include thorough washing and cleaning of the tripe to assure removal of all foreign materials. The tripe is washed and racked for thorough chilling. The honeycomb tripe is removed from this product. After chilling the tripe is removed from the rack and individually Cryovaced.
