Transportation & Storage:

Trucks carrying this product will be loaded and transported in a sanitary manner following all requirements stated in this specification.

Product will be transported and stored refrigerated at temperatures between 33°F to 40°F.

Shelf Life Statement:

Shelf life of this product is 35 Days from production date at refrigerated temperatures of 33 °F (min) to 40 °F (max)

If temperature exceeds the recommended temperature, shelf life of the product may be compromised.

Kosher Statement:

This product is kosher (OU) and is produced under Orthodox Union supervision.

Bioengineering Disclosure

This product contains a Bioengineered food ingredient.

Allergen Assessment:

This product does not contain any allergenic ingredients.

Regulatory/Finished Product:

All product is produced under a routine quality inspection in accordance with good manufacturing practices.
