**Transportation & Storage:**

Trucks carrying this product will be loaded and transported in a sanitary manner following all requirements stated in this specification.

Product will be transported and stored refrigerated at temperatures between 33°F to 40°F.

**Shelf Life Statement:**

Shelf life of this product is 35 Days from production date at refrigerated temperatures of 33 °F (min) to 40 °F (max)

If temperature exceeds the recommended temperature, shelf life of the product may be compromised.

**Kosher Statement:**

This product is kosher (OU) and is produced under Orthodox Union supervision.

**Bioengineering Disclosure**

This product contains a bioengineered food ingredient. Bioengineered label disclosure for this product is voluntary.

**Allergen Assessment:**

This product does not contain any allergenic ingredients.

**Regulatory/Finished Product:**

All product is produced under a routine quality inspection in accordance with good manufacturing practices.
