* The % Daily Value (DV) tells you how much a nutrient in a serving of food contributes to a daily diet. 2,000 calories a day is used for general nutrition advice.

* Benefits

Developed specially for chefs, Knorr Hollandaise Sauce Mix for Restaurants allows you to create a delicate, creamy hollandaise sauce in just minutes. This hollandaise sauce mix takes inspiration from the best from-scratch egg yolk sauce recipes, and it delivers exceptional flavor and consistency that is certain to impress your guests. The breakfast gravy mix comes in a dry format that is easy to prepare; simply melt butter, stir in the mix, and bring to a boil. It also features an even, stable consistency that resists breaking and separating, making it ideal for recipes that demand heat. Add this French mother sauce to your eggs Benedict, eggs Florentine, crab cakes, steamed vegetables, and other classic dishes.
