Handling Suggestions

Handling tips to prevent sauce spoilage: 1) Always use top quality seasonings, 2) Chill heated sauces as rapidly as possible, 3) Keep open sauces refrigerated until use, 4) Never combine old and new sauce batches. Stanislaus is proud to unconditionally guarantee the quality of all our products -- every day, can after can, year after year. We welcome your call at 800-327-7201!

Serving Suggestions

Use 74-40 Tomato Filets in place of hand-crushed whole peeled tomatoes in recipes where chunks of fresh-tasting tomato are desired.

Prep & Cooking Suggestions

For the freshest possible tomato flavor, use 74-40(r) alone or blended with other Stanislaus tomato products to achieve your ideal sauce consistency. Try to avoid "cooking down" tomato products to create a thicker sauce, or "watering down" to make a thinner sauce -- both practices damage fresh flavor!
