Handling Suggestions

Dry storage at ambient conditions.

Serving Suggestions

Foods can be breaded in advance and held under refrigeration for up to 8 hours. Panko style breadcrumbs add a big crunch and expanded size for impressive plate presentation.

Prep & Cooking Suggestions

To use Golden Dipt Japanese style Panko breadcrumbs, prepare a batter of G7001 pre-dip according to package directions. For best coverage, dust food with dry pre-dip mix first and shake gently to remove excess. Dip food into prepared pre-dip batter and drain slightly. Then place food into a pan of Panko breadcrumbs, covering food and using a gentle pressing action to adhere crumbs.
