* The % Daily Value (DV) tells you how much a nutrient in a serving of food contributes to a daily diet. 2,000 calories a day is used for general nutrition advice.

Handling Suggestions

Keep Frozen

Serving Suggestions

Best used for a gyros sandwich or gyros plate with Olympia's Pita & Tzatziki. Garnish with your favorite fixings & pair with any side. Alternatively, scramble them with eggs, stir in stirfrys, top them on pizzas & salads, or mix them up with other sandwiches & meats.

Prep & Cooking Suggestions

Mount frozen meat cone on the spit & place on the vertical rotisserie broiler. Cook continuously while the cone is rotating. Slice outer layer of meat once cooked to desired doneness. Make sure that cooked product reaches an internal temperature of 165F for at least 15 seconds. Serve right away or store in a steam tray. Make sure to serve or slice the entire cone within 4 hours, otherwise discard. Refrigerate any unused cooked meat for another day's use.
