 RECYCLABLE

**ROMERO'S CORN TORTILLAS** are soft, flexible and delicious. Freshly baked and rushed to your store so you can enjoy the hearty goodness and flavor with all your favorite meals. They're perfect for traditional Mexican favorites like soft tacos, enchiladas, quesadillas and chilaquiles. Also, serve **Romero's Corn Tortillas** instead of bread at meals. Use them to roll up a hot dog, fry them in vegetable oil to make taco shells, tostada shells or tortilla chips, add your favorite spread or sandwich meats. For a quick snack try them with a little bit of butter and salt, or just plain!

**HEATING INSTRUCTIONS:**  
**STOVE TOP:** To heat and soften for table use or to toast, place directly on a medium-hot ungreased skillet, turning frequently until soft and piping hot.  
**MICROWAVE:** To heat in microwave, place a stack of 5 Romero's Corn Tortillas between 2 slightly dampened microwave paper towels. Microwave on high for 45 seconds or until warm. Keep wrapped until ready-to-serve.  
**CAUTION:** Microwaving Romero's tortillas in bag may cause the packages to steam. Any surface the bag contacts while hot.

**CORN TORTILLAS MAY BE USED AT MEALS INSTEAD OF BREAD**  
 Ingredients: Whole Grain Corn, Water, Propionic Acid, Gum Blend, Benzoic Acid, Phosphoric Acid, Sodium Hydroxide, Enzymes, Hydrated Lime.  
 Made in a facility that also handles wheat and soy.
