Units Per Case: 2	Net Case Weight: 22 LB
Pallet Info: Layer: 10, High: 5, Pal Qty: 50	Case Dimensions (in): 16.75 (L) X 8.06 (W) X 8.50 (H)
Total Shelf Life: 372 DY	Kosher: OU D: KOSHER DAIRY

## GENERAL DESCRIPTION

Gold Medal(TM) ready-to-spread, chocolate fudge, bulk icing is shelf stable and light and airy, providing a smooth texture with creamy, chocolate flavor on a finished product. Available in bulk 2 - 11 lb tubs.

## BENEFITS

Gold Medal ready to spread, chocolate fudge bulk icing is shelf stable and light and airy, providing a smooth texture with creamy, chocolate flavor on a finished product. Available in a cost effective 2 - 11 lb bulk tubs for larger operations. Manageable size and resealable lid, reducing the risk of contamination and waste. Ultra versatile, use for icing or melt for drizzling. Decorating is a great way to increase profits, charge more while driving impulse purchases. Zero grams trans fat per serving.

## PREP &SERVING

**READY\_TO\_EAT** : Use icing directly from the container; if desired, additional flavors may be added. Stir icing with spatula before icing cake. Icing spreads best at room temperature (70-72°F). Cakes that have been frozen prior to icing are much easier to ice. Iced cakes can be covered or boxed and placed into the cooler overnight, or up to two weeks in the freezer. Iced cakes can be held in an enclosed cabinet up to 6 hours. Once icing container has been opened, the icing can be stored covered at room temperature for one week. After this time period, store covered in the cooler. Bring to room temperature (70-72°F) before using. During hot weather conditions, store iced cakes covered overnight in the cooler or cover and freeze until ready to use. Ready-to-spread icing is ideal for standard icing and frosting. One 11 lb. pail will ice 4 full sheet cakes in the pan. Icing can also be used for dipping, glazing, and drizzling over baked goods.

## STORAGE DETAILS

Keep in a dry cool place
